(incorporated with limited liability in the Republic of Finland)

EUR 1,000,000,000

Euro Medium Term Note and Covered Bond Programme

This supplement (the **Supplement**) comprises a supplement for Ålandsbanken Abp (the **Issuer**) to the Offering Circular (the **Offering Circular**) dated 29 December 2011. The Offering Circular is a base prospectus prepared in connection with the Euro Medium Term Note and Covered Bond Programme (the **Programme**) established by the Issuer. This Supplement constitutes a supplementary prospectus for the purposes of Section 87G of the Financial Services and Markets Act 2000 (the **FSMA**). Investors should be aware of their rights under Section 87Q(4) of the FSMA.

Terms defined in the Offering Circular have the same meaning when used in this Supplement. This Supplement is supplemental to, and should be read in conjunction with, the Offering Circular and any other supplements to the Offering Circular issued by the Issuer. A copy of this Supplement will be made available for inspection at the registered office of the Issuer (currently Nygatan 2, AX-22100 Mariehamn, Finland) and at the offices of any Paying Agent in the United Kingdom for so long as the Programme remains in existence.

The Issuer accepts responsibility for the information contained in this Supplement. To the best of the knowledge of the Issuer (which has taken all reasonable care to ensure that such is the case) the information contained in this Supplement is in accordance with the facts and does not omit anything likely to affect the import of such information.

On 16 February 2012, the Issuer published its year-end report for the period January – December 2011 (the **Q4 Report**), which includes its consolidated unaudited financial statements as at and for the twelve month period ended 31 December 2011. The purpose of this Supplement is to incorporate by reference the Q4 Report into the Offering Circular. A copy of the Q4 Report has been filed with the Finnish Financial Supervisory Authority and, by virtue of this Supplement, the Q4 Report is incorporated in, and forms part of, the Offering Circular.

If documents which are incorporated by reference themselves incorporate any information or other documents therein, either expressly or implicitly, such information or other documents will not form part of this Supplement for the purposes of the Prospectus Directive (Directive 2003/71/EC) except where such information or other documents are specifically incorporated by reference. Copies of all documents incorporated by reference in the Offering Circular can be obtained from the registered office of the Issuer and/or from the London office of the Paying Agent.

To the extent that there is any inconsistency between (a) any statement in this Supplement or any statement incorporated by reference into the Offering Circular by this Supplement and (b) any other statement in or incorporated in the Offering Circular, the statements in (a) above will prevail.

Save as disclosed in this Supplement and any supplement to the Offering Circular previously issued, there has been no other significant new factor, material mistake or inaccuracy relating to information included in the Offering Circular since the publication of the Offering Circular.
