For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of the Markets in Financial Instruments Directive 2014/65/EU (as amended) (**MiFID II**); (ii) a customer within the meaning of the Insurance Mediation Directive 2002/92/EC (as amended), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in point e) of Article 2 of Regulation (EU) 2017/1129 (as amended) (the **Prospectus Regulation**). Any person subsequently offering, selling or recommending the Notes (a **Distributor**) should take into consideration the target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.
